WHO WE ARE

South Jersey Legal Services, Inc. (SJLS) is a private non-profit law firm which serves client eligible residents of Atlantic, Burlington, Camden. Cape Mav. Cumberland, Gloucester, Monmouth, Ocean and Salem Counties. At the initial review, we will decide if you are financially eligible. An intake staff member will obtain information about your income, family size, assets and the matter for which you are seeking help. All information you provide SJLS remains confidential. If you are financially eligible, we then decide whether your case is one for which we can provide representation based on our established priorities. If the case is one which we cannot handle, we will attempt to refer you to an organization which will provide assistance.
